UPON ARRIVAL

Arrival by air: Public transportation into town: take bus line "F" (Bus Timetable: <http://www.ivb.at/index.php?id=fahrplanauskunft&>). Transportation to the Institute: there is no convenient public transportation available, use a Taxi (Telephone: 5311).

Arrival by rail: Public transportation to the Institute: take bus line "R" from the main railway station "Innsbruck Hbf" at Südtirolerplatz (place in front of the railway station) to bus stop "Fürstenweg", change here to bus line "O" which takes you to bus stop "Technikerstrasse". Approaching the south part of the Technical Complex, find the Institute on the left hand side of the Technical Complex.

Arrival by car:

To town: take exit Innsbruck-West –"Ost" or –"Süd" for equivalently easy town access.

To the Institute: take exit Innsbruck-Kranebitten for convenient access via the Kranebitter Allee and the junction Technikerstrasse to the Academy, at the University Campus Technikerstrasse 25, which is the last building on the left hand inside of the University Campus, located 4 km west of town just opposite of the airport.

Innsbruck City Map: <http://www2.innsbruck.at/WebCity/FrontController> or contact Ms. Elisabeth Huck

WHERE TO STAY IN INNSBRUCK

Elisabeth Huck or Doris Corona will assist you in booking accommodation. A list of hotels can be found at <http://www.tiscover.com> (Hotel Info)

Some of our visitors prefer to stay with

- Pension Schwarz, bed&breakfast, simple, cheap and only 5 minutes to got to the institute
- Hotel Mozart, ordinary, innercity of Innsbruck,
- Hotel Neue Post, exclusive, innercity of Innsbruck

How to get to Institute

by car look at <http://www.iqoqi.at/about/visitorinfo/innsbruck/images/anfahrtsplan-1114x728.jpg>

Parking outside of the University area: you have to pay parking taxes (EUR 0,50/half an hour)

Parking inside: you can get a park-ticket from the secretary (if available)

by bus: the bus line "O" will take you directly to bus stop "Technikerstrasse"

- one-way-ticket at the bus driver
- day or weekly ticket at the "Trafik" (newsagent/tobacconist) or at the ticket machine at the bus terminal

by taxi: telephone: 1718, 5311
